

IQSOFT

RESIDENTIAL SOFTENER

COMMERCIAL PRESENTATION

PURE: INNOVATIVE & ECOLOGICAL

IQSoft stands for premium water treatment. With their uniquely compact footprint, their state-of-the-art design and Wi-Fi Technology, IQSoft water softeners are a true revolution in the water treatment industry; no other water treatment range offers the same high-end specifications and installation comfort!

DESCRIPTION

Available in 4 different sizes: 9, 12, 18 and 25L and cover a wide range of residential applications.

PRODUCT FEATURES

- Multilingual, two-line, legible display
- Plug and play – pre-set programming to perform at its best
- Exceptionally low rinse water usage per regeneration leads to minimize salt consumption, with up to 40% salt-saving compared to standard softeners. Made possible by upflow regeneration and proportional brining
- Salt alarm, LED illumination of brine tank
- Wi-Fi connectivity via a smartphone app
- A holiday mode avoids unnecessary regeneration, resulting in reduced water and salt consumptions
- Compact size ideal for undersink installation where space is an issue

DIMENSIONS

- 9L= 280x436x495
- 12L= 280x436x575
- 18L= 280x436x726
- 25L= 280x436x979
