

# PENTAIR SCAN APP

All the tools you'll ever need, right there with the Pentair Scan app

Welcome to Pentair Scan!  
Save time identifying Pentair products by scanning product labels and benefit from multiple advantages!

Pentair Scan is THE reference tool for actively assisting pool and water treatment experts with their day-to-day tasks: activating warranties, accessing up-to-date product information, and obtaining full technical assistance.

Simply scan the product label with your smartphone or tablet and save time by instantly accessing detailed configurations, installation manuals, brochures, spare parts lists, troubleshooting and maintenance diagrams, as well as handy maintenance videos.

Finally, Partner Program members enjoy exclusive added benefits by registering products.

# On-the-spot Product Registration

## WARRANTY ACTIVATION FROM THE DATE OF INSTALLATION

1

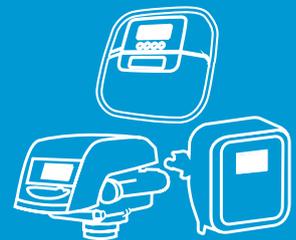

DECLARE

Declare your installation date to maximize your warranty coverage.

2

REGISTER

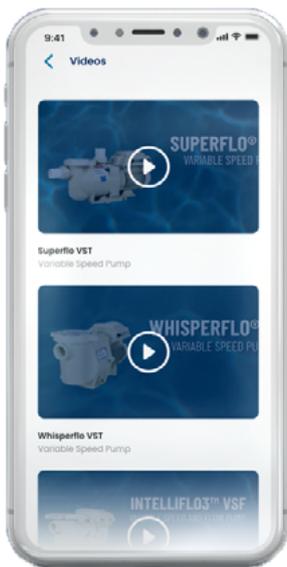

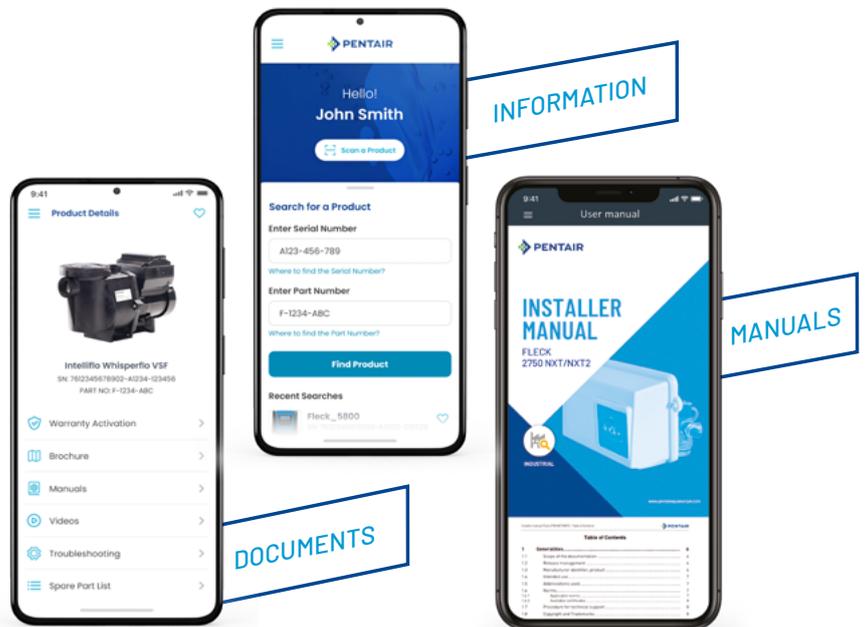

Register your product and activate its warranty from the date of installation.

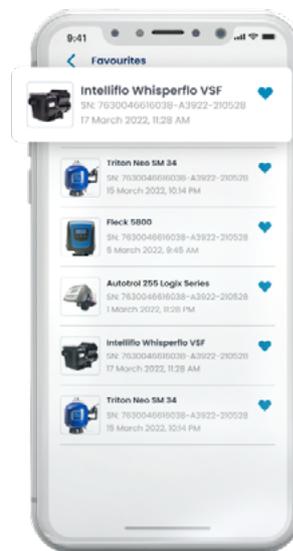

**Say goodbye to warranty coverages that end before products are even installed.**

# Maintenance support

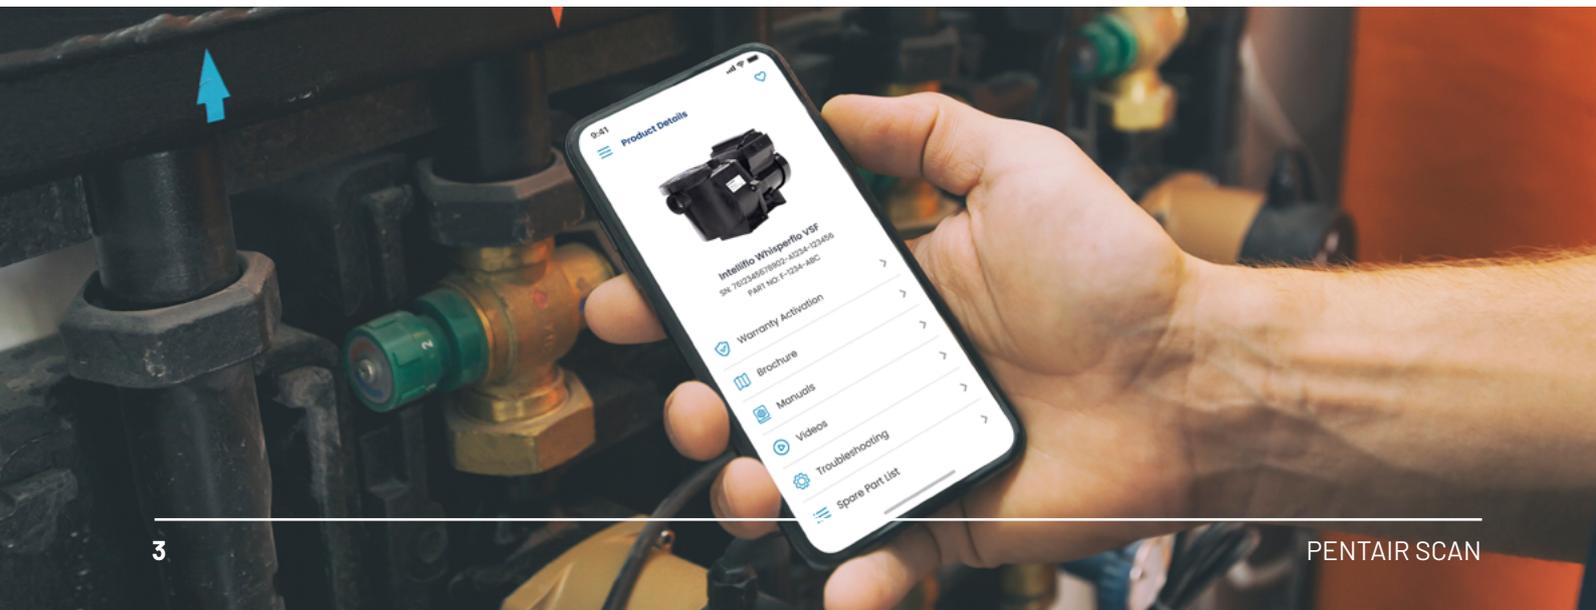

With Pentair Scan, you will have the most up-to-date product-related documents – once you download them for the first time online, **you will be able to access them anytime you want offline and in a single click!**

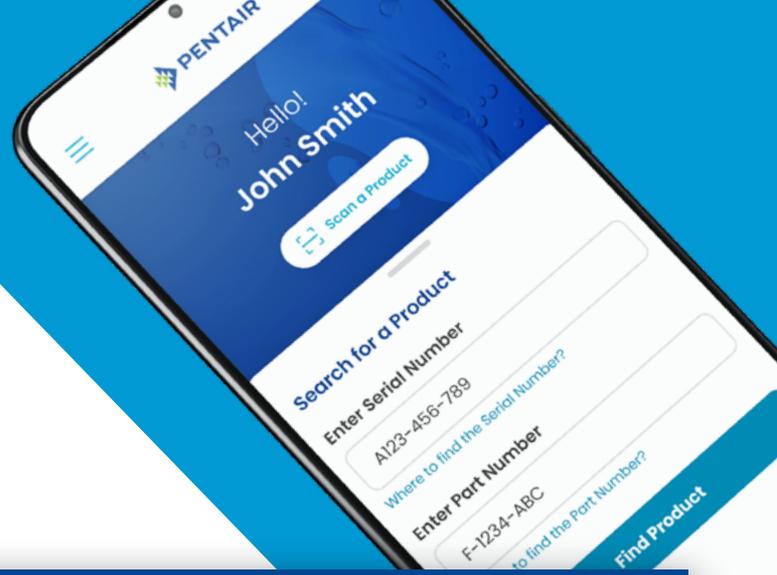

Become an expert and learn how to use our products best with maintenance videos

Pin products you want to follow up on or return later by adding them to your favorites
