

EV9627-05

7CC-BW Cartridge

Problem solving and special application cartridge

7CC-BW Replacement Cartridge: EV9627-05

BENEFITS

Increases water hardness by introducing a small amount of calcium carbonate minerals into low hardness/TDS waters. This controlled mineral addition is desirable for coffee and other applications that require some hardness to achieve optimum results

Protects equipment by reducing the corrosive tendencies of low TDS content waters

Improves electronic level control sensitivity by increasing water conductivity

INSTALLATION TIPS

Install vertically with cartridge hanging down
 Allow 2-1/2" clearance below the cartridge for easy cartridge replacement
 Flush cartridge by running water through filter for three minutes at full flow

OPERATION TIPS

Change cartridges on a regular 6 month preventative maintenance program
 Always flush the filter cartridge at time of installation and cartridge change

APPLICATION / SIZING

Problem solving and special application cartridge for extraordinary water conditions
 Capacity: Varies according to level of mineral content in feed water, flow rate and contact time

7CC-BW Cartridge

SPECIFICATIONS

Overall Dimensions:

20.75"H x 3.25"Diameter

Service Flow Rate:

Maximum 0.5 gpm (1.9 Lpm)

Pressure Requirements:

10 - 125 psi (0.7 – 8.6 bar), non-shock

Temperature: 35 - 100°F (2 - 38°C)

No electrical connection required

Contents: Granules of calcium carbonate;
will increase the hardness of water

The contaminants or other substances removed or reduced by this drinking water system are not necessarily in your water. Do not use with water that is microbiologically unsafe or of unknown quality without adequate disinfection before or after the system. Systems certified for cyst reduction may be used with disinfected water that may contain filterable cysts.

WARRANTY

Everpure water treatment systems (excluding replaceable elements) are covered by a limited warranty against defects in material and workmanship for a period of five years after date of purchase. Everpure replaceable elements (filter cartridges and water treatment cartridges) are covered by a limited warranty against defects in material and workmanship for a period of one year after date of purchase. See printed warranty for details. Everpure will provide a copy of the warranty upon request.
